Mysore Local Authorities (Disciplinary Proceedings Against Employees) Bill, 1968—

Motion to Consider—(Debate Continued)

Mr. SPEAKER.—There is one small Bill—The Mysore Local Authorities (Disciplinary Proceedings Against Employees) Bill, 1968, which has already been moved by the Hon. Minister for Municipal Administration and it was under consideration. The purpose of this Bill is to extend the jurisdiction of the Vigilance Commissioner on employees of Local authorities.

SRI H. N. NANJE GOWDA.—Sir, I rise to a Point of Order. In the Bill Clause 4 and Clause 9—Rule making power—deals with extra work of the Vigilance Commission. The employees of Local authorities are not in tens, but they are in hundreds and thousands. Therefore, the present staff of the Vigilance Commission cannot enquire into all the complaints that may arise, and the strength has to be increased, which involves some extra expenditure. As per the rule making power also, if rules are made to incur some expenditure, it becomes a money Bill. I want to know whether they have obtained the recommendation of the Governor for the introduction and consideration of this Bill.

MR. SPEAKER.—I think, no financial memorandum is attached to this!

SRI K. PUTTASWAMY.—Sir, I heard the hon. member. The set-up of the Vigilance Commission can cope with the additional work that may arise on account of this Bill becoming an Act. No additional funds will be given out of consolidated funds. Hence it was considered that financial memorandum was not necessary and therefore no sanction of the Governor is also required for consideration of this Bill.

MR. SPEAKER.—I cannot accept the point of order raised by hon. Member Sri H. N. Nanje Gowda. The hon. Minister may now reply to the debate.

† **SRI B. M. PATIL** (Minister of State for Municipal Administration).—Mr. Speaker Sir, this Bill has been brought before the House mainly on the representation of many of the hon. Members saying that the administration in the local bodies should improve and also that the jurisdiction of the Vigilance Commission should be extended to these local bodies. This Bill is mainly intended to invest the Vigilance Commission with the jurisdiction to enquire into allegations and complaint of corruption and other misconduct committed by the employees of local authorities.

[MR. DEPUTY SPEAKER in the Chair]

Sir, under clause 2 the definition of local authority has been enlarged to cover Municipal Corporations, Municipal Councils, Notified area committee, Planning authority, Bangalore Water Supply and Sewerage Board or any other authority, constituted for the purpose of municipal administration of any area and it includes the Mysore and Bangalore Improvement Trust Boards also.

Clause 3 of the Bill empowers the Government to punish employees of the local authorities in addition to the local authorities themselves, and it is therefore provided in the clause that the employees of local authority will hold office during the pleasure of the Government.

In Clause 4 the Vigilance Commission is invested with powers of enquiry and investigation into the complaints against employees of local

authorities and where the Vigilance Commission takes any action the local authority concerned will not be competent to take or continue any action in respect of the same subject matter.

Clauses 5 relates to the procedure to be followed by the Vigilance Commission.

Clauses 6 and 7 deal with the powers of Government to direct disciplinary proceedings when misconduct is investigated and intimated to the Government by the Vigilance Commission and also the Government is empowered to pass orders in disciplinary proceedings.

Clause 9 of the Bill empowers the Government to make rules for carrying all or any of the purposes of this Act.

Sir, I would like to mention here that this is a very simple measure Bill which has been in accordance with the representation and wishes of many of the hon. Members of this House. I now commend this Bill to the acceptance of this House.
